DEDICATION

Since the beginning of time, stars have served to guide and inspire us. One of the most brilliant stars in our North Hollywood High School Universe is reaching the culmination of a great career.

It is with sincere feelings of respect and admiration that we prepare to wish Mrs. Edna Evans success and happiness upon the occasion of her retirement. For years she has been the inspiration of other students, just as she has been to all of us.

Though future classes will be deprived of her warm friendliness, Mrs. Evans' constructive influence will remain a permanent part of our school.

TABLE OF CONTENTS

The world of 1958 contains a wealth of adventure, beauty, courage, knowledge, friendship, loyalty, patriotism, and experience.

Presenting . . . our world of North Hollywood High School, where all of these become part of our lives.

In Bingville's teen-age orbit, we find True Blue and Huskie Grey, typical North Hollywood students. They are about to start **Around the World** in 180 days.

FACULTY

In trying to administer to the many needs of our fine high school, I find the most gratifying thing is the wonderful cooperation we receive from the faculty and the student body. This cooperation has brought about an excellent relationship that in turn has made this year a most successful one.

As you turn the pages of the El Camino, let your memory go back and review the many accomplishments that you helped to achieve.

We can point with pride to the splendid record made by hundreds of our students, to the very fine leadership that was demonstrated by our student councils, student courts, and senior classes—to the outstanding records compiled by our athletic teams and the enthusiastic support given to our teams by the student body — and finally to the serious loyalty all Huskies have for their Alma Mater.

For all of these things we are grateful and thankful. May we continue to have this cooperation so that the good accomplishments of North Hollywood High School shall always be cause for great pride. This is truly one of the brightest spots in the world.

"Around The World in 80 Days"
Is simply run o' mill,
But 80 **plus** one hundred more
We tear around Bingville!
It's fun and geographic, too,
With highlights bright and gay,
A speech to make; advice to lend,
Much work along with play.
So both of us thank all of you
Who make our travel light,
We couldn't go "Around the World",
And find a place so right.

Affectionately,

Theresa Jinks

MR. FRANK NEUGEBAUER
Boys' Vice-Principal

Upon entering North Hollywood High School, a student starts on a journey "Around the World" right here on campus. His route is determined by the classes he takes. We, in the Counselors Office, are his guides on this trip. Our main concern is with the adjustment of young people. We try to accomplish this by guiding them through a study program that will stimulate their interests and make the best use of their own personal assets.

We hope that our efforts to counsel young people assist them in achieving wise self-guidance and a happy, well-adjusted adulthood.

GOVERNMENT

Whenever young people try to be self-governing to any degree, they find it necessary to constantly apply certain principles. Some of these are: liberty and justice for all, the greatest good to the greatest number, general welfare before individual profit, and do unto others as you would have them do unto you.

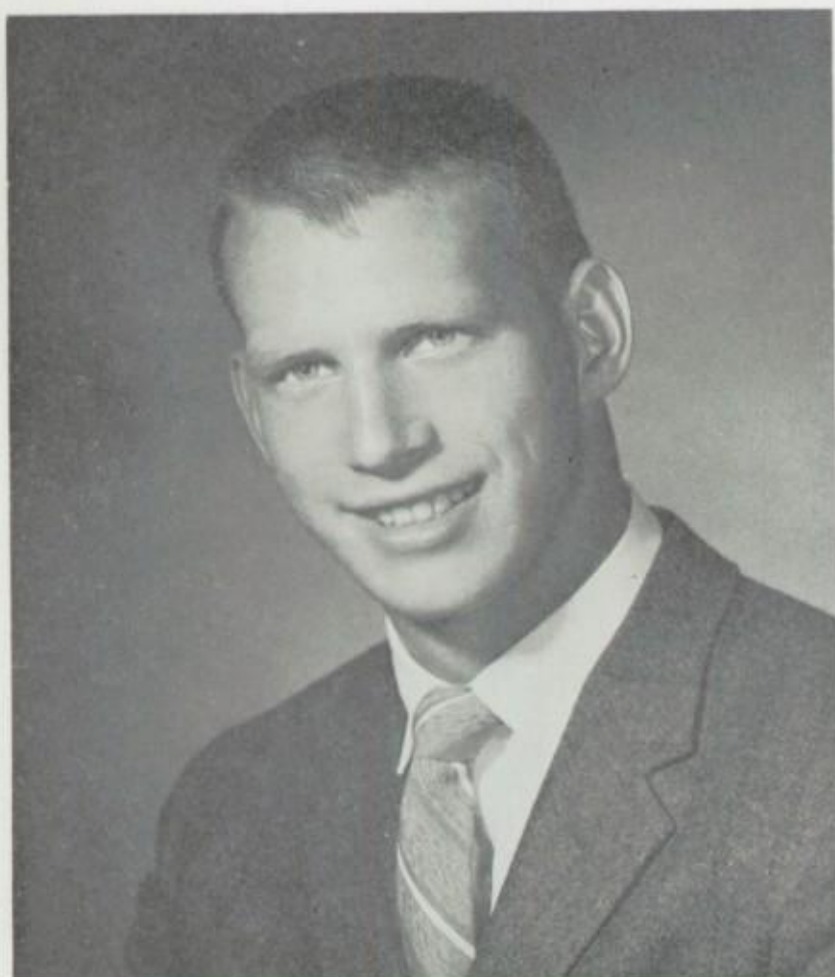

These truths apply around the world. Cooperative participation by students, faculty, and administration through the use of school courts seems to be an indispensable part of a genuine democracy. This cooperation is essential in planning the life of a school community.

STUDENT BODY

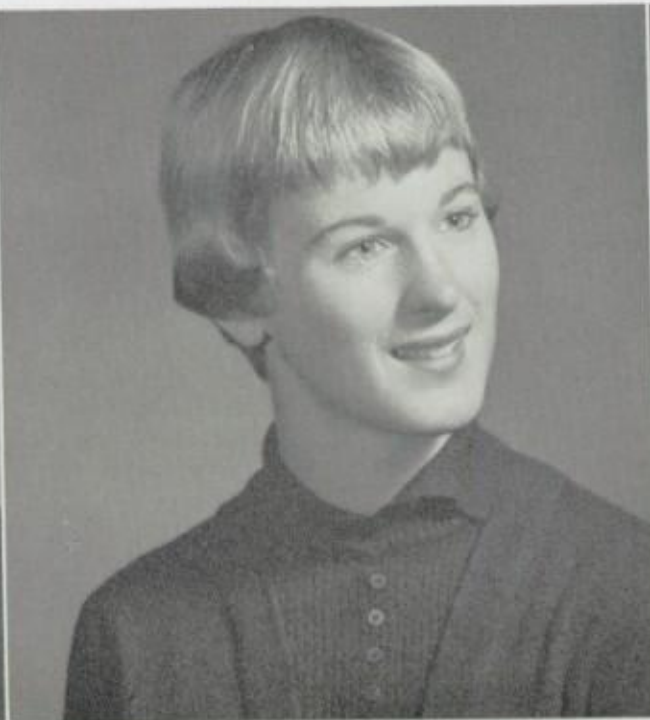

Under the able leadership of President Ken Jewesson, the Student Council of Winter, 1958, proved to be a very capable one. Council officers responsible for a very active season of Fall activities were: Vice-President Ken O'Brien, Secretary Sandi Marshall, and Treasurer Frank Macari. The social festivities were highlighted by the Kickoff Dance and Sadie Hawkins Week. Both events were highly successful and enjoyed by the entire Student Body. The Council spurred a Clean Campus Campaign and was responsible for many improvements around the Bingville campus. A highly successful assembly program and athletic season helped to make this semester a memorable and outstanding one for the Student Council of Winter, 1958.

OFFICERS

President Richard Lombardi headed the Student Council of Summer, 1958, in a host of successful activities. Keeping the Student Body hopping with Sports Nights, dances and special activities were: Vice-President Carl Pfaff, Secretary Linda Baxter, and Treasurer Ron Mercado. Major projects for the semester included the revision of the "Blue and Grey," construction of a new Marque on Magnolia Lawn, and appropriations for various school improvements, additions, and activities. Highlighting the semester was the dedication of our Fine Arts Building. Dedicated to the memory of Mrs. Helen Randolph, who was respected and loved for many years as a teacher of Senior Problems at North Hollywood, it is called Randolph Hall.

One of the many ways that we as teachers and advisors try to prepare young people for those experiences that await them, is through Senior Problems classes. If one link in the chain of human relations is strengthened, so does the power of the human race increase. All 'round the world, we need individuals who understand others as well as themselves. That is the core of our world.

CAMPUS

The values derived by students at North Hollywood High School in their practice of democracy at the student level will always be an integral part of their lives.

North Hollywood High School has long been a leader in the development of the Student government of our high school worlds.

Experience in our student government prepares the student for his place in the world. Such a background is useful on any pathway he may choose to follow. Because of active participation in our student government, Bingvillites are able to be wiser and better citizens of our country.

RESERVE OFFICERS'

The Bingville ROTC has participated in many spectacular events and has won many honors this year. Cadet Captain Marcus Hurt captured the All City League Award for the best platoon. Cadet Major Alfred Zucker received an appointment to the United States Military Academy at West Point. The North Hollywood ROTC rifle teams competed in matches throughout the year, winning many honors. In the corps, the cadets learn today, so that they can lead tomorrow.

ACTIVITIES

True and Huskie have taken part in many of the extra-curricular activities Bingville has to offer.

The Music Department has claimed the interest of True, who will never forget the fun she has had participating in the programs and many other activities of the groups.

Huskie has made use of his talent in the Drama Depart-

ment. He has enjoyed taking part in the numerous plays and field trips.

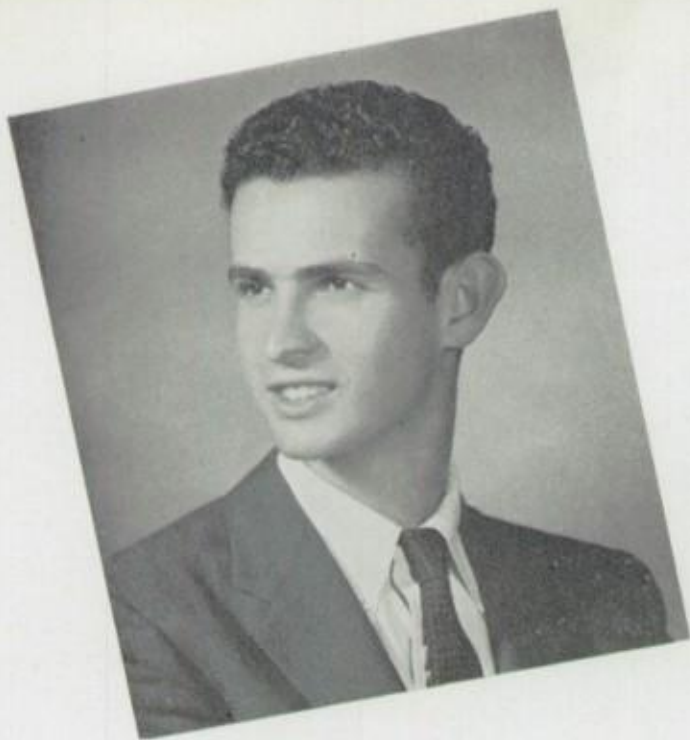

Belonging to several of the Interest Clubs has added a lot to the high school careers of True and Huskie. They have had fun belonging to the Pep Club, language clubs, vocational clubs, and various other clubs. Our loyal Huskies are also very proud of their membership in Las Madrinas and Los Escuderos, the Senior Honor Service Clubs.

TONY SYDES

The Winter, 1958, ARCADE, under the leadership of Editor Tony Sydes, instituted three major changes in the publication. This semester, the North Hollywood High print shop took over the entire printing and composing work. Mr. Horton N. Norwood, Jr., print shop instructor, has supervised the pressmen in the mechanics of putting out the ARCADE.

In Summer, 1958, the staff was headed by Joel Gardner and Bill Hand, Co-Editors.

The Winter, 1958, publications were honored at the annual High School Press Day at Los Angeles City College, where they received first honors in coverage.

SOCIETY

B A N D

The North Hollywood High School Orchestra has been singly honored in past years for its excellence and has gained recognition as one of the finest high school groups in the nation. Besides performing at regular concerts and musicals such as "Brigadoon", "Annie Get Your Gun," and "Oklahoma", the orchestra has concertized at the meeting of the Music Educators National Conference, Western Division, held at Pasadena City College in 1957. In 1955 the orchestra appeared in a concert at the Shrine Auditorium as part of the California Convention of the P.T.A. and in 1954 they appeared at a concert for the California Music Educators Association's annual meeting.

The North Hollywood High School band, directed by Mr. Dominick DiSarro, is a 90 piece marching band. During the football season, it helped to build up our "Huskie Spirit" by playing at all of the games. It also furnished all of the music for the R.O.T.C. Federal Inspection and Parade. In April of this year, it entered competition in the Music Festival at Sun Valley Junior High School. Because the band placed with a superior rating, this proved to be the most successful of all band concerts. During the month of May, it will participate in the Spring Concert which is put on every year by the music department. This rounds out a very full year for our band.

Exchange Students

Joanie Cowell, Vice-President; Jean Legastelois, Exchange Student; Judy Arne, President

The American Field Service came to our school in September, 1957. Its main purpose is to sponsor exchange students from foreign countries and the United States.

Last year Mike McLean and Jim Wright were the representatives from Bingville to Germany and Greece.

This year the American Field Service is sponsoring Jean Legastelois, a student from France, and Jeff Lombardi, who was chosen to represent our school this summer in a foreign country.

The California Association of Student Councils (C.A.S.C.) is a state-wide organization which works to promote the exchange of ideas among the student councils in high schools throughout California.

The state of California is divided into 26 districts. North Hollywood High School is located in Section "C" of District 20 (Los Angeles City).

There are 36 schools in District 20, and each year a different school has the opportunity of selecting the district officers. North Hollywood was represented by George J. Nolfi, Jr., President, and Barbara Bauer, Secretary; an honor which is ours only once every 36 years.

This collage consists of 20 black and white photographs capturing various moments from a school carnival. The photos are arranged in a grid-like fashion, with some larger and some smaller. The subjects are primarily students in costumes or group shots. Notable costumes include a man in a suit with a large hat, a woman in a large hat, a man in a pilot's helmet, and a woman in a large hat. There are also photos of students in groups, some wearing hats, and a man in a striped shirt. The photos are arranged in a grid-like fashion, with some larger and some smaller.

CAMPUS CAPERS

THEATRE 110

This year the Drama Department at North Hollywood High began an experimental departure from normal high school dramatic activities which was to bring it city and state-wide recognition.

Moving their activities from the Auditorium to the now-famous Theatre 110, the energetic Thespians presented a horse-shoe-staged rendition of *Arsenic and Old Lace* to seven appreciative audiences. Included in the performances were Barbara Eisenstein, Mike Grace, Sue Prod, John Laing, Scooter, Teague, Dan Stewart, Linda Henrichs, Hal Drake, Bill Johnson, Arnie Gootlieb, Don Woodruff, and Tony Angell.

Under the leadership of Mrs. Barbara Shields, who had recently been appointed regional director of the National Thespian Society, the dramatists went to the Fall Festival of the Drama Teachers of Southern California. Presented were scenes from *Androcles and the Lion* and *House of Bernalda Alba*, for which they gained the most coveted First Place trophies for dramatic and comedy group acting for these two scenes.

Hal Drake, Don Woodruff, Dan Stewart, and Steve

Ashton were responsible for the comedy trophy, which Irene Frost, Barbara Eisenstein, Julie Farkas, and Polly Paul accepted dramatic honors.

Next was the One-Act Tournament, presented February 14. Trophies went to Scooter Teague as Best Actor, Pam Pacaker as Best Actress, Mike Grace as Best Supporting Actor, Karen Dolin as Best Supporting Actress, and Hal Drake as Best Director. *Warrior's Husband* was selected to receive the Best Play Award. A special award was presented to Dan Stewart, in absentia, for his outstanding work in the Drama Department.

The Pasadena Playhouse was another ripe apple for North Hollywood. Entering the world-famous One-Act Play Tournament with *Voyage of the Ark*, the now-proven Thespians received plaudits from the critical professional judges there. Arnie "Noah" Gottlieb walked off with Best Actor of the Day, making this the second year in a row this award has come to North Hollywood High School.

All in all, this has been a very memorable and victorious year in the history of Bingville's Drama Department.

"Martha, I feel funny."

"Who's been playing with my boots?"

"Don't worry, ladies."

Blow, Gabriel, blow.

ARSENIC AND OLD LACE

Awwwwwwwww.

"Mercy, goodness, I'm trapped."

"Who, me?"

Really, Abby.

"We only murdered twelve."

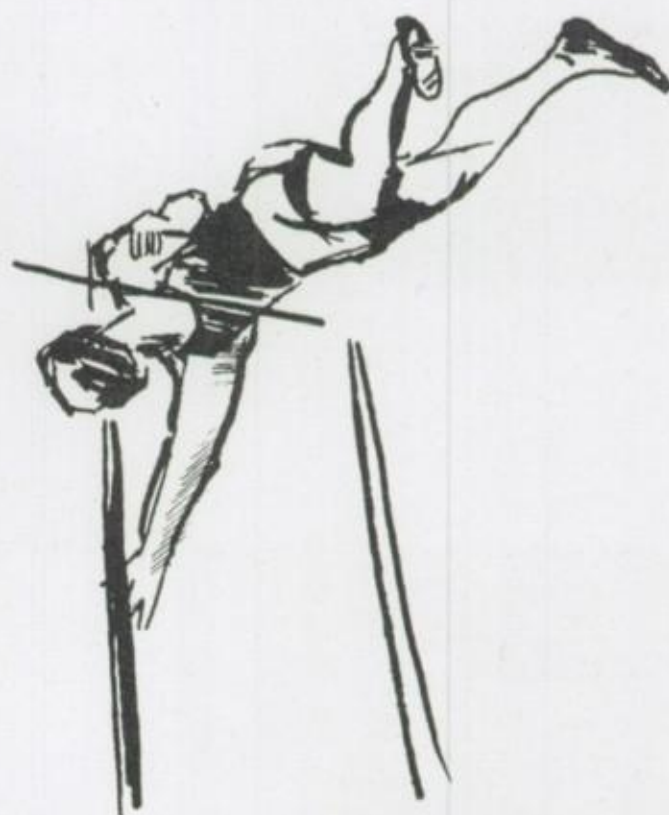

"Aunties. I'm shocked."

"You don't say so."

"Remember, I'm President."

In this day of world tension, sports are becoming more important in developing friendship between nations. Sports the world over have the same objectives and in most cases are played under the same rules. All nations try to develop the youth of their lands through sports. This is done by good sportsmanship, the "will to win," "loyalty," "clean living," and a keen ambition to achieve greatness in sports and leadership in world affairs. Friendship among teams makes friendship among nations, and is demonstrated by the many lasting friendships to come out of the Olympic Games. International competition is also carried on in Golf, Wrestling, Track and Field, Soccer, Basketball, Gymnastics, and Boxing. Here is a common ground on which the youth of all nations may meet and compete. Here at North Hollywood, the Athletic Department attempts to bring out the good qualities of boys through sports, as well as to bring honor to our school.

VALLEY CHAMPS

Van Nuys

Van Nuys! The name itself brings out the Huskies strongest competitive spirit. This year North Hollywood emerged victorious, with a last quarter touch-down, 12-6.

Birmingham

This was a year of amazing feats and heart-warming experiences. A good example, was the 32-7 victory over the Braves, before a crowd of 4,000.

Conoga Park

The Hunters proved to be no match for the Huskies explosive attack. The final score read 48-0, due to the passing of John Alsup and the running of Pete Holt.

San Fernando

North Hollywood again emerged victorious, 13-0. The Tigers were stronger than expected, but they just didn't have the power to move against the Husky defense.

Reseda

This game brought to a close the first undefeated league season in the history of North Hollywood. The Huskies swept past the Regents, 19-0, and therefore qualified for the city play-offs.

SPRING SPORTS

Spring sports offer a challenge to all Bingvillites. Working together and functioning as a team Huskies have an opportunity to achieve great heights.

Through track, baseball, gymnastics, tennis, swimming, and golf, boys around the world, from California to New York, London to Paris, and Buenos Aires to Washington, D. C. are learning the rules by which mankind is governed.

Today, these sports are the building blocks by which we hope, during the succeeding years, to establish a mutual understanding and a better sense of sportsmanship between ourselves and our fellow man.

SCHOOL HYMN

Near the valley's purple mountains
On the golden tinted plain,
Near the Padre's sacred fountains
Reaching to the sounding main,
Stands our noble Alma Mater,
Stands the high school that we love,
And our noble aspirations
Are inspired by Heav'n above.
We shall always love our high school
As her sons and daughters should;
And our fondest, noble wishes
Are for you North Hollywood.

Love, Tracy

Buddy,
I am hoping you
and make
good makes good
much happy after
I know Jack
